# Targeting Your Potential Volunteer

List of the qualities and life experience that you think will make a good mentor.	List an activity or affiliation group where you might find people with that quality.	List suggested places, actual locations or intellectual spaces, where you should be recruiting mentors.	Ideas on tailored strategies for reaching this group?
1 <i>International experience</i>	<i>Peace Corps volunteers and alumni</i>	<i>Local alumni chapters</i>	<i>Locate an alumnus passionate about mentoring and pitch at group meeting with them.</i>
